In the Name of Allah...

Welcome Message

Dear Brothers and Sisters,

Assalamu Alaikkum (Rah)

Alhamdulillah, I am delighted to welcome you to Assalam Islamic College.

Today's world is governed by science, technology and corporate; the leftist ideologies and the writings of the third world are gaining popularity. In this arena, we need knowledgeable and talented Islamic scholars to tackle the challenges of the above factors. Our college aims at producing the graduates with versatile talents and leadership qualities. In turn, these graduates will face the challenges of the modern world and lead the mankind towards the right path; they will contribute in all the fields of education. Our syllabus is designed in such a way to achieve the above said objectives.

Insha Allah, we ensure that all our students will achieve the highest standard of education so that they can become real Alim, Murabees, Community Leaders, Social Analyzers and become beacons of light for our communities.

May Allah accept our good deeds and grant us His blessings on us.

*Sincerely
A. Shabeer Ahamed
Chairman*

New Site Proposal

Why do we need new LAND for Arabic College? Will it be affordable? Why are we doing it?

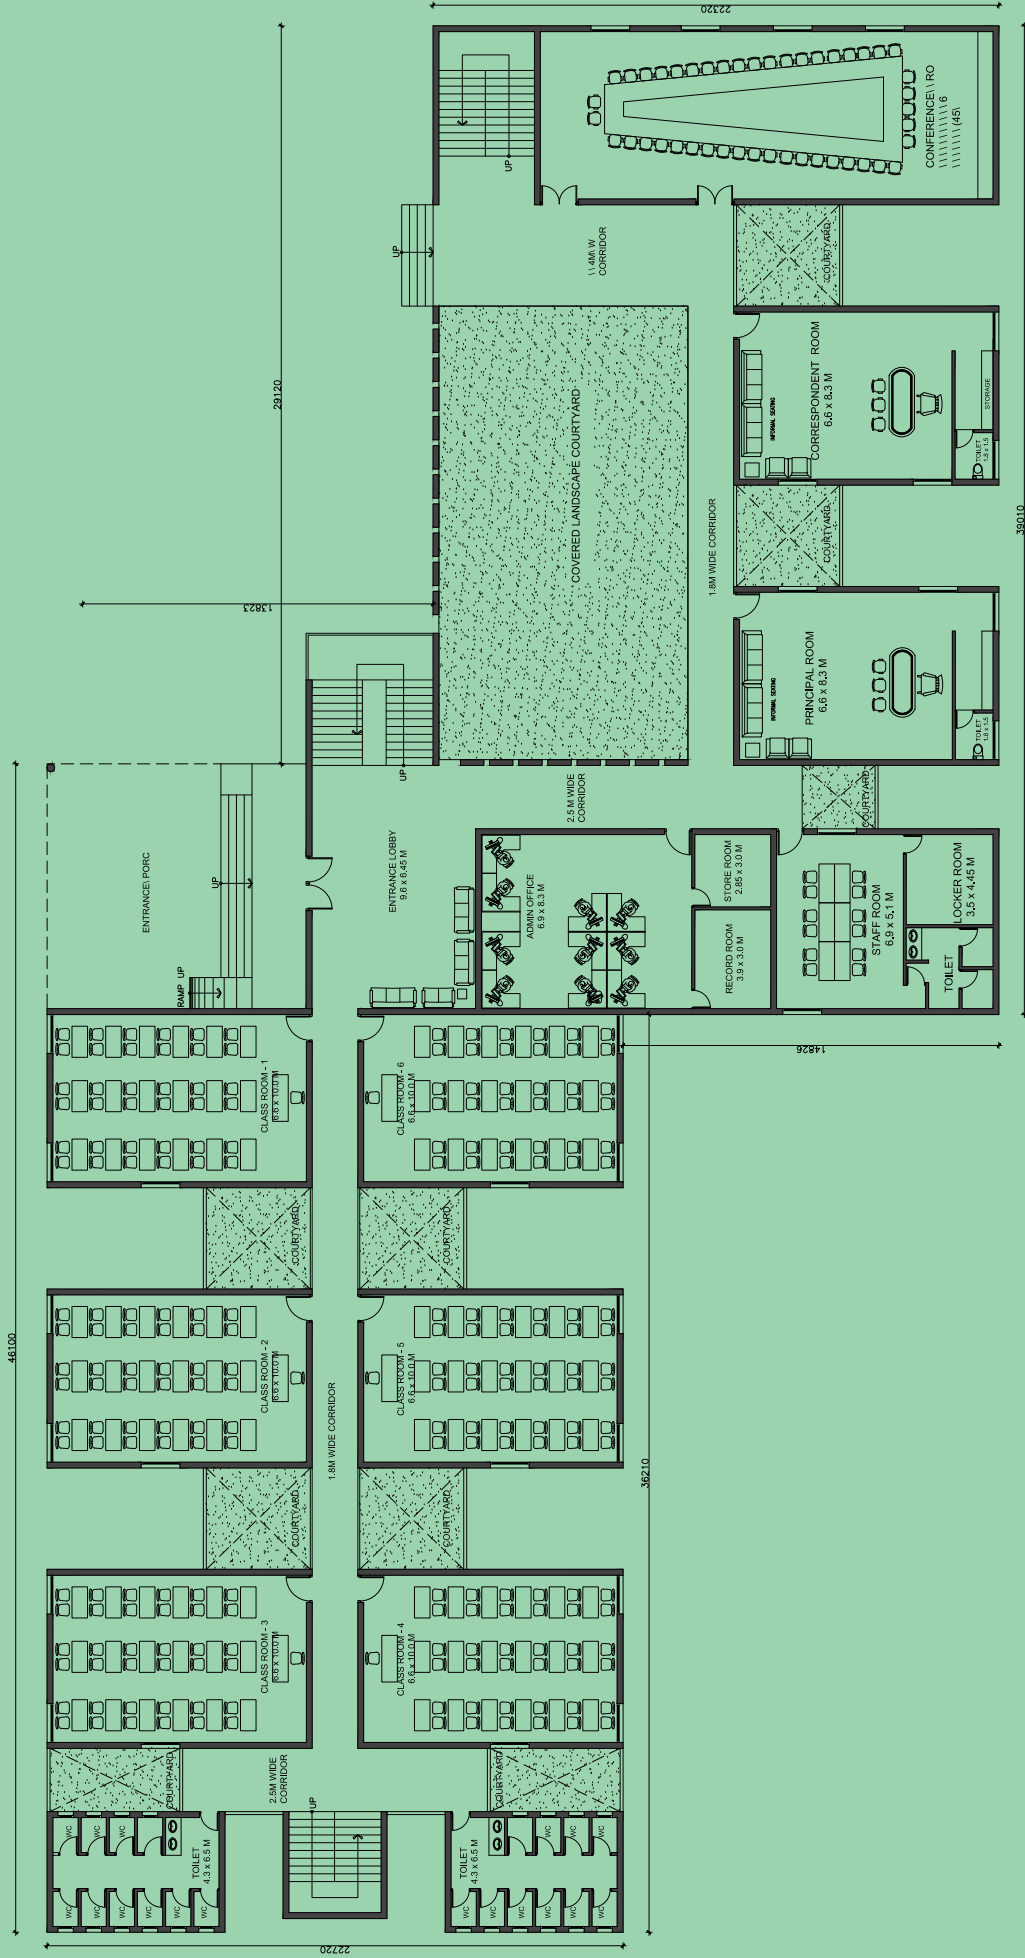

- Currently running in 'Trichy – town' with 50 students for both 1st and 2nd year in a local residential area.
- Decided to move college to a remote place, considering several factors as the following...
 - Need more space in the coming years for 3rd to 5th year.
 - Need play ground for students
 - Need to arrange staff quarters
 - For further growth and development to go for 100 students per year, targeting 500 students at a time
- Land owners were approached and found out a land near Inamkulathur, which is approx. 18 km away from Trichy town
- Near by Inamkulathur Muslim Mahalla (2km from the site)
- Ground water level is good
- Land owners are very much co-operative and ready to extend their help in each and every aspect
- Easy to reach college from Trichy and good transport facility
- Very near to many famous educational institutions in Trichy-Manapparai (Dindigul) highway
(JJ Engg. College, TN Govt Agriculture College, Shivani Engg .College, RVS School)
- Near by residential PLOT owners are mostly our brothers except 10% of the entire residential site
- 2 schools - just less than 500 meters distance

مَثَلُ الَّذِينَ يُنْفِقُونَ أَمْوَالَهُمْ فِي سَبِيلِ اللَّهِ كَمَثَلِ حَبَّةٍ أَنْبَتَتْ سَبْعَ سَنَابِلٍ فِي كُلِّ سُنْبُلَةٍ
مِائَةٌ حَبَّةٌ وَاللَّهُ يُضِعِفُ لِمَنْ يَشَاءُ وَاللَّهُ وَاسِعٌ عَلِيمٌ

The charity of those who expend their wealth in the way of Allah may be likened to a grain of corn, which produces seven ears and each ear yields a hundred grains. Likewise Allah develops manifold the charity of anyone He pleases, for He is All-Embracing, All-Wise. (2:261)

FUND RAISING APPEAL FOR **AS-SALAM ISLAMIC COLLEGE** House of Knowledge & Wisdom

Dear Brothers and sisters, Assalam Islamic College is the religious institution where Quran, Hadhees, Fiqh and all other subjects are being taught according to the structured curriculum with extreme care. The course is being taught by very experienced, highly qualified scholars of Islam.

Insha Allah, we ensure that all our students achieve the highest standard of education so that they can become real Alim, Murabees, Community Leaders, Social Analyzers and become beacons of light for our communities.

Insha Allah, we hope our mission and vision is successful and we request your Dua for the same.

Dear Brothers and sisters, at present the college is functioning with 61 students, 6 Teaching Staff and 6 Non-Teaching Staff. As there is lack of space to accommodate the forth coming batch, it has become absolutely necessary to construct a new building for our college.

Insha Allah we hope your generous help to raise the fund will ease our journey towards our mission.

May Allah (SWT) accept your Sadaqah-e-Jariyah and may this sadaqah help you and your family in the hereafter.
